

BLM e Antifa, i figliocci di Soros e dei globalisti. Alba Giusi

Negli Stati Uniti ci sono molte manifestazioni in favore di Trump, contro Biden e i brogli. Ovunque si radunino i trumpiani, i BLM e gli Antifa sono in agguato, ben organizzati per esacerbare gli animi e trasformare le manifestazioni in luoghi di scontro. Loro sarebbero i pacifisti antirazzisti. In realtà sono i figliocci di Soros e dei globalisti, ben pagati per fare il loro lavoro.

More than a MILLION people showed up to support this President.
